I quite fancy a pet - an African lion or an octopus or even a boa constrictor.

The trouble is, Mum and Dad and Granny and Grandad all have objections to pets. Grandad says that sheep are forever following you around; Dad says wolves give him a headache; and Mum says she'll cancel tea-time if I mention bats in the wardrobe again. So I must try to find a pet that none of them will mind.

What could I have?.
